your  
arom  
a cudd  
les me

and plays a role in my routine. For your job is not  
to just wake me up, but for me to enjoy the flavor  
of your company. The richness and blend that ma  
kes your bean so special to me, how it hugs m  
y soul like a good friend. Without you, I wo  
uld struggle to move. To think. To smile.

So you save me from my Hyde self. M  
y day does not suffer when you are  
here in my daily life. Our frien  
dship shall last the test of  
time. Coffee love.
